Dear Mr. Cooke:

I am pleased to write with formal approval of the renewal of your school accreditation application. Per regulations your school accreditation will not need to be renewed again until March 31, 2011.

As a reminder, it is critical that you use your new school ID number and the assigned course ID number on all rosters as well as the certificates you hand out immediately after each class. To ensure that all students receive appropriate credit, it is equally imperative that you verify that all information is correct before submitting documents to the Missouri Real Estate Commission.

All certificates, rosters, and schedule forms have been revised and copies of those new forms can be found on our web site at www.pr.mo.gov/realestate.asp. Effective October 1, 2006, these new forms must be utilized and are not to be revised. In the near future, you will be submitting rosters and schedule forms electronically to our database. Until the electronic system has been finalized, please submit all rosters and schedule forms either by faxing to 573-751-2777, e-mailing to betty.lilley@pr.mo.gov, or mailing to our office. Please make sure you advise students that if they fail to give you either their correct license number or social security number for submission on the roster, their education may not be recognized by the Missouri Real Estate Commission.

By regulation you are required to submit a course schedule no less than 10 days prior to the scheduled course date and all rosters must be submitted within 10 days of course completion. To avoid rejection of any submitted forms, please make sure you fill out each form in its entirety.

Sincerely,

A handwritten signature in cursive script that reads "Betty Lilley".
